

COVID-19 HOME VISIT GUIDANCE

March 24, 2020

The College of Midwives of Manitoba has committed to sharing relevant information from Shared Health during the COVID-19 pandemic.

On March 24th Shared Health published an updated Guidance and Screening Tool for Home Visits that may be helpful for midwifery practice. <https://sharedhealthmb.ca/files/covid-19-guidance-and-screening-tool-for-management-of-home-visits.pdf>

All provincial updates for healthcare providers related to COVID-19, including resources and tools for supporting mental health are available at [Shared Health](#)
